

BioSkills Zimmer Biomet TM™ Total Ankle Arthroplasty

Hands on - Foot & Ankle

Vienna, Austria 18th - 19th September 2019

BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute[®] we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Discuss appropriate patient selection, indications, approaches and implant use
- Interact and discuss cases with expert Faculty and colleagues
- Review the practical and technical aspects of Total Ankle Arthroplasty and the Zimmer Biomet Tracebular Metal™ Total Ankle Prosthesis
- Perform the operation using anatomical specimens

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

Zimmer Biomet Institute Network is an **online HCP community** offering **webinars**, **e-books**, **tutorials**, **course-related materials** and much more.
