

# BioSkills

## Shoulder Fracture Solutions

*Hands on - Shoulder*

Tübingen, Germany  
1st - 2nd October 2019

 ZIMMER BIOMET  
Institute®

# BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Discuss appropriate patient selection, indications, approaches and implant use
- Plating & Arthroplasty principles & techniques for proximal humerus fractures
- Interact and discuss cases with expert Faculty and colleagues
- Perform the operations using anatomical specimens

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.
