Skills Enhancement - Hip

Interaction Meeting Nottingham - Revision Hip

20th - 22nd November 2019

Course Information

With its confirmed world-renown faculty, this meeting will focus on contemporary challenges, controversies and issues relating to the practice of revision hip surgery. Key topics will be comprehensively addressed in an instructive fashion, complemented by operative videos of specialist techniques. Challenging cases will be discussed, highlighting diagnosis, treatment options and outcomes.

Course Objectives

- Defining revision classifications
- Review of exposure techniques and options
- Establishing the process for investigation of hip pain
- Recognise the benefits of one and two stage revision for infection
- Assess options for treating the
- Unstable hip

Course Venue

De Vere Beaumont Estate
Burfield Road
