

BioSkills

Advanced Elbow Solutions

Hands on - Elbow

Vienna, Austria
4th - 5th March 2020

BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Design evolution of Coonrad Morrey to Nexel
- Surgical indications & changing patient demands
- Surgical technique & expert tips
- Addressing complications
- Practice the surgical technique with anatomical specimens

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

LEARN. INTERACT. UNDERSTAND. SHARE.

Zimmer Biomet Institute Network is an **online HCP community** offering **webinars, e-books, tutorials, course-related materials** and much more.

Choose your field of interest and join our interactive platform: www.zbinetwork.com/emea
