Knee

Personalized primary TKA using  
Persona® knee system

KU Leuven/ Vesalius Institute  
Leuven, Belgium  
25<sup>th</sup>-26<sup>th</sup> October 2022

 **ZIMMER BIOMET**  
Institute®

---

## BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Discover the design features of the Persona knee system that enhance your primary knee replacements experience.
- Understand how the Persona knee system allows personalization for your primary knee replacements matching your surgical preferences.
- Perform the surgical technique using both Persona implants and instrumentation options that match your preferred surgical choice
- Benefit from the surgical tips from expert Faculty that will enhance your practice.

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute®

LEARN. INTERACT. UNDERSTAND. SHARE.
