

BIOSKILLS

Knee

Revision knee arthroplasty using
NexGen® knee system

KU Leuven / Vesalius Institute
Leuven, Belgium
26th-27th October 2022

ZIMMER BIOMET
Institute®

BioSkills

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

Life is all about activity. At Zimmer Biomet Institute® we therefore believe our delegates should play an active part when learning about new products, surgical techniques or the like. Get your hands and brains on human specimens, sawbones and instruments to deepen your knowledge and enhance your skills!

The specific course objectives include:

- Recognize the importance of determining the cause of primary implant failure
- Understand the indications and evaluate the different options available using the NexGen knee revision system
- Investigate advanced techniques for managing severe bone loss with Trabecular Metal™ cones
- Perform revision procedures safely and effectively on anatomical specimens
- Get practical advice from our expert Faculty for your practice

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute®

LEARN. INTERACT. UNDERSTAND. SHARE.

Programme

Wednesday, 26th October 2022

Hotel

15:30 *Registration*
