ZIMMER BIOMET
Institute®

BioSkills

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

Are you keen to take an active role in learning about the latest products, surgical techniques and technologies? Train your hands and mind with human specimens to enhance your surgical expertise and deepen your knowledge.

The specific course objectives include:

- Understand how the Persona® design addresses the needs whilst retaining proven legacy features
- Review the surgical tips from faculty and colleagues that will be beneficial to new Persona® users
- Understand the indications for Persona® Revision Knee implants
- Evaluate the instrument options available for Persona® Revision Knee procedures
- Investigate advanced techniques for managing severe bone loss with Trabecular Metal™ cones
- Perform the Persona® Primary and Persona® Revision Knee procedures safely and effectively on anatomical specimens

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
